“ I had the pleasure to have worked with Barry in the 80's and 90's. He was always upbeat and positive. He had a great sense of humor, and told amusing and interesting stories. He didn't take things personally or too seriously, but dealt with what was an issue in a polite manner. He was always respectful and a perfectionist worker. He left us too soon, but I'm glad I enjoyed some time with him. In deepest sympathy,
Doreen Mayo(and on behalf of the Mayo family)
