“ *My deepest condolences and wishes for comfort in the loss. It's been decades since I last saw him. One thing I remember was being with him & Kenny, shooting rats at a land fill! I was around 8 or 9 and had a great time until I stepped on a nail!*

I see on the obit that he had quite a family! May you all find the comfort and peace you need to get thru.

My Mom, Cora, was Cal's father's sister.
