“ Sincerest condolences to the entire Bortz Family. What a perfect picture of Uncle Doug! I will always remember that smile.... and that touch of Pennsylvania Dutch accent. There are so many memories while growing up. Thank you for weekends and vacations at Lake Wallenpaupack, for teaching me to water ski, and for the many boating excursions. Growing up I could always count on dropping by the Wenner Street house on the weekends and catch you watching golf, golf, golf. You loved that too. Thank you for inviting my sons when they were children to the lake to enjoy fishing, boating, and, their favorite, being pulled behind the boat on a raft! Oh, and thanks for teaching them to shoot and giving them target practice:) Years later, thank you for the times you visited my grown up sons to meet their own children. I have a few pictures of you with their little ones; your great-great niece and nephews! Treasured moments. A life well lived. Memories that last forever. You will be forever missed, but always in our hearts.

With love,

Linda, Kip, Ryan & Chad Helfrich and families

“ *My family and I have known Douglas, as he liked to be called, for 10 years. While in Florida he became a member of our family and of our Brazilian God daughter's family as well. We enjoyed lots of fun times together, traveled together, ate together and even cried together. Even spent his first hurricane with us! He will be greatly missed but will forever hold a special place in our hearts. Love always, Betty and family; and Arthur and his family in Brasil; and Vanessa and our Texas Vietnamese family.*
