“ *We are very saddened to hear of Esther's passing. Her memory will be eternal.. We remember the trips her family made to Florida to visit Olga. Joe always drove and once he got in the car there was no stopping until the destination was reached. Andrea remembers parties at both the Cape Cod house and the PA house. She remembers lots of people around the table with big bowls of fresh corn on the cob. Man was that good! Esther was always the most gratuitous host. She lived a blessed life. We will miss her very much.*
