“ *I didn't spend a lot of time with Uncle George, but as a kid, I always loved that he smoked a pipe. He was the only person I have really ever known to smoke one. He was a quiet guy but had a great chuckle and smile.* ”

Sending peace and healing to Meredith and all our family. ❤️

“ *Our Heartfelt Condolences go out to all of the Palmer family I have many wonderful memories serving with George on the Millbrook Chase Board and some memories of difficult situations that George had uncanny way to solve. He always had a smile and a positive attitude. With his guidance George helped to improve our community and I was honored to work with him. He was deeply committed to his family and cared about people always willing to give a hand or advice. I remember his love for Maine as we talked about it many times because I have dear friends that live in Maine. He helped to make me a better person and will deeply missed by his family and many friends.*

“ *Dear Meredith and family,*

George was one of the kindest, and most soft-spoken, person we know. His pride was his family, and he would glow when he spoke about them. His view of the world was balanced - every negative could have a positive. It was a privilege to know him, and to learn that being kind is a real strength of character.
