“ Dear Dad, I love you and I will miss you forever. You were an excellent example of what a father should be. I learned more from you than you will ever know and I will never forget the lessons you taught me. I have so many wonderful memories of our days together, enough to last a lifetime, and it is those memories that will help me get through your loss. I love you and tell mom I love her too. Your loving daughter,
Pat.
