“ *My condolences to Daisy, Nathan & Melissa.
Peter & I had common interests in automobiles and firearms. On the days he was at the auction we would chat prior to the sale about the things we both enjoyed. He was always willing to assist anyone who needed assistance. He will be missed by all who knew him. God speed my friend.
Thanks for the memories....*

“ *Peter was always so kind and sweet. He was always so helpful at the auction. I bought a Jaguar make up bag one night , I thought it was old, Peter said no it has a bar code and there were no bar codes back then , he just quietly smiled. He was a good man and I liked him a lot.*
