“ Roy and Mae were wonderful friends of my grandmother, Marion Reichard, for many years. I remember them both from being a student at Fogelsville. My grandmother and I send our deepest condolences to Mae and the family. My Nana always appreciated Roy calling to tell her when the Phillies were playing! It's only fitting to send this virtual red candle for his love of the Phils! Wishing you all peace and comfort in this difficult time. Lori (Reichard) Faber
